Writing

Talent... is something that gives you a fast start, but not something that will make you successful in the future. There ^{is} a lot of examples about how important ~~hard to~~ work hard in literature.

GN In the book called "Poor Liza" by Karamzin is told about girl who was working hard ~~for~~ making money. She was doing her best to help mother and became rich. She was working all day long on her goals. I believe that she is one of the strongest characters in the Russian classic literature.

synt In the other book called "A little life" by Hanya Yangihora is told about disabled person who ~~didn't~~ did not give up and achieved his career goals.

In the book "The secret history" by Donna Tart a boy ~~is~~ was studying history and old-greek language to pass an exam. He was struggling for a long time but achieved his goal.

GN There ^{are} lots of examples in ~~it~~ of the hard-working people in the history. Sportsman Muhammad Ali was fighting for his nation and he proved that black people can win too. He was ~~was~~ against racism.

2 I believe that only hard work can bring you what you want and lots of examples in the literature or history proves it.
